1. [redacted] (Chief, FE) telephoned in connection with IN cables [redacted] dealing with possible immigration quotas for Tibetan refugees. [redacted] indicated that the Director was [redacted] although there has not yet been established a firm Executive Branch position. It was agreed that the matter would be explored on a tentative basis with Representative Walter H. Judd. With respect to discussing the matter with Senator J. W. Fulbright, it was agreed that possibly we should discuss the matter with the DCI. (As the first step, however, Legislative Counsel will explore the matter with Carl Marcy, Staff Director of Senate Foreign Relations Committee.)

2. The DCI requested that all available materials on the congressional proposals for a Freedom Academy be made available to [redacted] I mentioned we were providing these on a regular basis to OTR but would see that they reached [redacted] The Director specifically mentioned the Herlong speech on this subject. All of these materials are being pulled together for review.
